[MESSAGE]  
DEAR ARJUN,  
HAPPY 6<sup>TH</sup> BIRTHDAY !  
15<sup>TH</sup> APRIL 2009

LOVE FROM  
DADDY AND MUMMY  
XXXX

“I can't wait for tomorrow !”, said Arjun. Tomorrow was the day that he had been looking forward to for months, it was going to be Arjun's Birthday !

Ever since he had seen the XK Rocket in the big toy shop window, he had wanted it and had asked his parents to get it for his next Birthday.

“Goodnight Arjun !” his Dad and Mum said, as they closed the door to his bedroom. “Goodnight !” he replied.

As excited as he was, Arjun pulled his blanket over himself and tried as hard as he could to go to sleep.

He hadn't been in bed for long, when he heard what sounded like a crash outside from the direction of the garden. His parents were too busy watching their favourite TV program, “The Z Factor”, to hear.

As quick as a flash, Arjun jumped out of bed and looked out of his bedroom window onto his garden. What he saw, he couldn't believe... perhaps he was dreaming he

thought to himself. "I'll pinch myself!" he said, that's was someone had done once in a story he had read. He looked again, "Wowsers ! It's still there" he said, there was something glowing bright red and smoking in the back of the garden. "There's only one thing for it", he said, "I'm going to have to investigate !"

Quickly he pulled on some clothes and crept downstairs and out the back door. Whatever it was, it had landed in his garden.

He slowly walked closer to the object. The closer he got the more it looked to him like a... a... spaceship !

"Hello ?" Arjun said quietly, there was no reply, but then he noticed what looked like a door open.

"Hello ! Can you please tell me what planet we are on ?" said a voice from inside the spaceship.

Arjun did not know what to think ! He said nothing, he just starred in amazement.

“Y..y..you are on planet Earth” Arjun said quietly once he felt brave enough.

“Earth ? Where’s that ? Doh ! I knew I should have brought a map with me !” said the voice.

“Who are you ?” Arjun asked.

“Just a minute...”, said the voice, the door started opening, and revealed a strange green funny looking creature ! “How do you do ? My name is Captain Morph, and what might your name be ?”

“Arjun” said Arjun quietly. Arjun was not sure who or what he was talking to be they he was very relieved they appeared friendly.

“I’m very hungry... any chance of a fizz-bomb sandwich ?” the green thing called Captain Morph.

“Erm.... Sorry, we don’t have any ‘fizz-bomb sandwiches’... but we do have some home made chocolate cookies” replied Arjun.
